October 02, 2020

Dear Parent,

We are looking forward to welcoming back our Years 7-10 from Monday 5<sup>th</sup> October. Please encourage your sons and daughters to review the information previously shared with each family before they return.

The headlines for the children to remember are

**HANDS  
FACE  
SPACE  
NO SHARING**

That is wash hands regularly, always wear a FaceMask, maintain distancing at all times and never share any equipment or personal items.

Monday will see our WHITE section attend school with the GREEN section resuming for the first time on Tuesday. Drop off as at one of two sanitation points. Pupils must remain in their cars until they are invited to exit them. Temperature and masks checks are conducted while the pupil is in the vehicle.

They will then be invited to pass through the sanitation station. The stations open from 7.30 am with cars permitted onto the site from 7 am

Lessons and registration for years 7-9 are as follows

Year 7 E Block  
Year 8 D Block  
Year 9 B Block

A typical classroom layout is shown in the image below:

## PTA communication.

I am pleased to share the contact details of the Year Group PTA representatives. These as follows:

**ENTER ONLY THE ADDRESS OF THE RELEVANT group**

The PTA wishes to use the WhatsApp groups to share information and to discuss issues relating to children in particular year groups. I hope that you find it useful to be able to communicate with the PTA in this way. Please note that school does not follow these WhatsApp groups and any concerns you may have about your child in school should continue to be raised through the usual channels.

## ICT support:

If your child encounters any difficulties accessing the online lessons queries may be raised directly via the IT desk via [gerldorji@bisnigeria.org](mailto:gerldorji@bisnigeria.org)
