Term 2

Monday, January 4 — Thursday, April 1, 2021

Thank you

Dear Parents,

It has been another busy start to the Term and this has meant several letters being sent by both myself and others to in recent days. However, I did not wish the week to end without publicly thanking the PTA executive and our parent body for their extraordinary generosity in delivering gifts to all teaching and academic support staff after the PTC on Friday 15th January.

After a long Term and as we embark on another which is likely to be filled with an additional challenge both the gifts themselves and the underlying appreciation for the efforts of all BIS staff that they represented was both timely and welcome.

On behalf of all staff, I send my heartfelt thanks and wish you all the most pleasant of weekends.

Yours faithfully,

Stewart King
Principal
