I can't believe we have come to the end of the first month of session 2021/2022. The time has gone so quickly, as the new year 7 students and the new students in other year groups have settled down to the work of learning and the returning students have continued where they have left off from last session. I would like to thank all parents for your support over the past month as we build a culture of excellence in all that we do.

Next week is an important week as we conduct our Form Representative Elections, we celebrate World Teacher's Day and we also have our New Student Progress Update with parents (online). The following week (week commencing 13th October), we conduct our CAT (Continuous Assessment Tests), which check the progress over the first half term of the session.

The following pieces of information that are contained in this newsletter will keep you updated in what is happening in the school.

May I take this opportunity on behalf of the Board of Directors, Senior Leadership Team, Staff and Students to wish all of you and your families, Happy Independence Day.
